

A close-up photograph of a marble sculpture of a woman's head and upper torso. The woman has curly hair with a crescent moon tucked into it. Her eyes are closed, and she has a serene expression. She is wearing a draped garment. The background is a blurred architectural setting.

EFI

Efi è una serie di sanitari che rievoca le linee eleganti e ricercate delle antiche produzioni inglesi. Un classico di Flaminia, una soluzione ideale per ambienti caldi e tradizionali che, grazie all'abbinamento di materiali e elementi di arredo moderni e raffinati, si rivela anche piacevole espressione di stile contemporaneo, sospesa fra suggestioni minimal e richiami al nuovo Barocco. La linea che include vaso, bidet e vaso monoblocco, offre la possibilità di scegliere tra due lavabi da 64 e 70 cm e può essere personalizzata grazie a una vasta gamma di colori a disposizione.

Efi is a series of bathroom furnishings that evokes the elegant and sought after lines of old English productions. A classic by Flaminia, an ideal solution for warm and traditional environments that, thanks to the combination of materials and elements of modern and refined furnishings, is also a pleasant expression of contemporary style, suspended between minimal suggestions and references to the new Baroque. The line that includes wc, bidet and wc mono-block, offers the option of choosing between two washbasins of 64 and 70 cm and can be customised thanks to a wide range of colours available.

EFI COLOUR

L'eleganza di queste linee di sanitari è proposta in 11 diversi colori: l'ampia gamma cromatica presentata, moltiplica le possibilità di personalizzazione dell'ambiente bagno. Accanto alla più tradizionale finitura lucida e a quella opaca più materica e contemporanea, insieme ai colori più attuali, Flaminia presenta colorazioni come il rosa, l'azzurro e lo champagne, che enfatizzano nella collezione il ricordo delle produzioni inglesi più classiche.

The elegance of these sanitary ware lines is enhanced by eleven different colours. This wide chromatic range multiplies the possibilities for a customised bathroom. Traditional glossy finishes and contemporary matte finishes, all in the most modern colours, are now joined by classics such as pink, blue and champagne; colours that emphasise the collections' "Old English" character.

FIDIA

Una serie di sanitari caratterizzati dalle forme dolci e tondeggianti che snelliscono l'imponenza dei volumi. Lavabo su colonna, da semincasso e consolle, vaso e bidet classici ma estremamente attuali nelle dimensioni. Fidia, facilmente inseribile in ambienti classici e moderni è offerta in tutte le finiture di ceramica della collezione Flaminia.

It is a range characterized by soft rounded shapes that slender its impressive volumes. Its basins, whether with pedestal, semi-recessed or console, and its WC and Bidet are classical, but with extremely up-to-date dimensions, easily adaptable to both classic and modern settings and available in all the ceramic finishes of the Flaminia collection.
